EDUCATION

Clemson University, Charleston, SC

MS in Historic Preservation | August 2022-May 2024

Thesis: Ahead of the (Digital) Curve: Digitally Documenting and Interpreting the Historic Built Environment in Museums

University of Mary Washington, Fredericksburg, VA

BA in Historic Preservation, minor in Museum Studies, *summa cum laude* | August 2018-May 2022

WORK EXPERIENCE

Clemson University Graduate Program in Historic Preservation, Charleston, SC

Teaching Assistant | August 2023-May 2024

- Assisted professors with instruction including AutoCAD and measured drawings, field measurements and field notes, and paint sampling
- Assisted administration staff with events such as open houses and speaker series

Clemson University Graduate Program in Historic Preservation, Charleston, SC

Project Leader, Charles E. Peterson Prize Submission | April 2023-June 2023

- Revised and standardized an existing set of measured drawings compiled by the Clemson GP in HP Class of 2024 and drafted new drawings from field notes gathered on site
- Assisted with the layout of the drawing set to create a comprehensive, effective presentation of the building's construction

Drayton Hall Preservation Trust, Charleston, SC

Wood Family Fellow | May 2023-August 2023

- Created an ArcGIS Pro visualization of the 18th/19th century landscape of Drayton Hall in ArcGIS Pro using LiDAR data, digital reconstructions of slave dwellings, and archival materials
- Engaged with the public about the above project, the preservation of Drayton Hall, and archaeology while staffing the Stephen J. Wood Conservation Laboratory

Washington Heritage Museums, Fredericksburg, VA

Intern | January 2022-May 2022

- Drafted inspection forms for annual building walkthrough assessments
- Documented symptoms and drew sketches for annual building condition reports
- Developed cyclical maintenance schedules

University of Mary Washington, Department of Historic Preservation, Fredericksburg, VA

Research Assistant to Professor Michael Spencer on the Booker T. Washington National Historic Site Tobacco Barn Project | August 2021-December 2021

- Performed as-built documentation and produced drawings of the tobacco barn in AutoCAD
- Sampled and identified wood species

Old Sturbridge Village, Sturbridge, MA

Museum Education Intern | May 2021-August 2021

- Co-taught summer camp programs for children ages 5-13
- Developed a plan for implementing a QR code scavenger hunt and a plan for utilizing QR codes to improve accessibility to the museum's historic buildings

James Monroe Museum and Memorial Library, Fredericksburg, VA

Albert J. Bowley Scholar | August 2020-May 2021

- Researched and developed educational activities using the museum's collection
